Testimonials

"The aspect of DUYA's program that I value the most is its focus on providing young individuals with opportunities for academic growth. In particular during our summer program they continue to promote critical thinking, creativity, and collaboration amongst peers."

{Administrator at Children's Collective}

"DUYA has helped us make targeted growth in areas of academic need that we do not have in-house capacity to serve."

{Administrator at SMCA}

"Tutoring has helped me a lot with my reading and [focus]. I like my tutor...she helps me with my homework."
